Please answer the following questions on a separate page(s) – typewritten, black ink, 12 pitch/point font. Your nominee will be judged on the quality of the involvement with the educational community and the degree of commitment to a business/education partnership.

1. How did this business demonstrate its concern for education in your community?
2. What activities did this business engage in to promote educational involvement to other businesses in the community?
3. Developing and maintaining business/education partnerships requires year-round attention. What methods does this business plan to utilize to continue its involvement with education during the next six months?
4. Please submit copies of any promotional material developed by either the business or the PTA/school to strengthen business/education partnerships.
