

## RESOLUTION

(Adopted by the 1985 convention delegates)

### OUTCOME BASED EDUCATION

WHEREAS, All students learn at different rates and there are wide differences in the cognitive and social skills students bring to school with them; and

WHEREAS, Grouping together students who have different learning levels may not serve their needs; and

WHEREAS, Students need to know course objectives and expected outcomes; and

WHEREAS, Outcome Based Education promotes measurable individual student success and therefore, accountability for public education; therefore be it

Resolved, That the Colorado PTA support the Colorado State Board of Education in its designation of Outcome Based Education as a priority for the State of Colorado; and be it further

Resolved, That the Colorado PTA take appropriate action to educate its membership to the advantages of Outcome Based Education so that the membership may assume leadership in advocating implementation of Outcome Based Education in their local school districts.
