

## RESOLUTION

(Adopted by the 1975 convention delegates)

### POSITIVE PERSONAL VALUES

WHEREAS, There is increasing awareness and concern that children must be helped to develop a positive set of personal values; and

WHEREAS, The area of values of education requires careful study in order to develop programs both acceptable and effective; therefore be it

Resolved, That the Colorado PTA be encouraged to participate in the development of acceptable and effective curriculums in the areas of values exploration, so that our children will be helped to develop positive personal values to guide their lives.
