

RESOLUTION

(Adopted by the 1975 convention delegates)

SPECIAL EDUCATION

WHEREAS, The school districts of Colorado have been mandated to provide special education for eligible children, and

WHEREAS, PTA has a great concern that developing programs be of the finest quality to truly meet the needs of "special children", and

WHEREAS, Adequate funding from local, state and national sources will be needed to make quality programs possible; therefore be it

Resolved, That the Colorado PTSA continue its support for special education, by continuing to work for adequate funds for special education programs at all levels.
