

## RESOLUTION

(Adopted by the 1984 convention delegates)

### COMPREHENSIVE HEALTH EDUCATION

WHEREAS, National PTA has emphasized the need for comprehensive health education for all children;  
and

WHEREAS, The Colorado State Board and Department of Education have done extensive  
development in the areas of guidelines for health education; therefore be it

RESOLVED, That the Colorado PTA support national and state legislation encouraging  
local school districts to include comprehensive health education their  
curriculums.
