

COLORADO SCHOOL FINANCE ACT

- WHEREAS, The funding of public schools is a major state responsibility; and
- WHEREAS, The current act has led to inequity in the distribution of state funds to school districts; and
- WHEREAS, Colorado PTSA has always supported equal and quality educational opportunity for all children; and
- WHEREAS, Colorado School Finance requires extensive and careful study before changes can be recommended; and
- WHEREAS, As the largest organized parent group in the state, Colorado PTSA's input is crucial to the decision making process on school finance; therefore be it
- RESOLVED, That Colorado PTSA urge the State Legislature to appoint a special task force composed of statewide representation from the educational community, agricultural community, business and industry, parents, and other statewide organizations which may have concerns about education; and be it further
- RESOLVED, That Colorado PTSA take whatever steps are necessary to become a member of this special task force to study and make specific recommendations of rewriting the school finance act.

1984 Emergency resolution

Retired 1987; action accomplished - the Coalition to Improve School Finance was formed and has completed its study and recommendation to the legislature
