

RESOLUTION

(Adopted by the 1963 Convention delegates)

Encouragement to Enter the Teaching Profession

WHEREAS: the teaching profession represents great opportunities for inspiration of youth and instruction in the high ideals of our nation as well as preparation for personally rewarding and socially useful careers; and

WHEREAS: there is constant need for recruitment of the ablest people for the profession and constant encouragement of the fine people already serving in the profession; therefore

RESOLVED: that the Colorado Congress of Parents and Teachers continue its efforts to encourage entrance of our finest young people into the teaching profession;

RESOLVED: that the Colorado Congress of Parents and Teachers continue efforts to encourage all competent teachers to stay in their profession.

The committee recommends that this resolution be adopted.
